Mrs Henderson Update

Mrs Henderson has been having medical treatment and we are very pleased to share with you that she has responded very well to this treatment and is feeling much better.

Mrs Henderson wanted the school community to share in her happy news and she also wanted to say a huge thank you for all of the support she has received.

She is about to begin her final treatment and is taking time to recover and build up her strength again.

We send our love to Mrs Henderson.

Harvest Festival

Well what a triumph our Harvest Festival was!

The children loved learning harvest songs and poems to share with you and they were fantastic at performing them. Particularly their favourite - Big Red Combine Harvester!

Thank you all so much for coming along to support us - we hope you enjoyed it as much as we did.

We appreciate your continued support.

Blooms of the Month

Our 'Brunswick Blooms of the Month' this month are Mrs Bowman and Miss Ellis for their amazing charity fundraising.

Mrs Bowman is running 5km every day for the whole of October to raise money for Tommy's Charity.

Miss Ellis ran the Cumbrian 10km to raise money for Hospice at Home. She is also running the Carlisle Half Marathon in March and will continue to raise as much money as she can.

Both charities are very close to their hearts.

Well done ladies, it is amazing what you are doing - we are all very proud of you.

Reception Forest Visits

Reception children enjoyed a wonderful visit to the Forest last week and are looking forward to another visit tomorrow (Tuesday 21st October)

New Governor

Hi I'm Leanne, one of Brunswick's newly appointed school governors. Myself and my 3 children have all attended Brunswick school and we adore the fantastic school and support from all the staff members. They all go above and beyond for our babies!

You will see me around the playground as my youngest has just started reception.

In my spare time if I'm not taking the kids to various activities, I try to get out walking and catching up with friends. I also volunteer for a charity called Dentaaid, they support me in teaching children in schools and nurseries the importance of looking after their teeth.

REMEMBERWe are always here to help. Please do not hesitate to contact either your child's class teacher or Mrs Waugh should you have any worries or concerns.
