

Brunswick Curriculum

Our curriculum vision is underpinned by our 3 core behaviours, School Promise and Resilience Rucksack. Our Key Drivers help to ensure the curriculum reflects our school community and ethos.

3 Core Behaviours

Our three behaviours underpin everything that we do, the decisions we make and our approach to learning and development.

You love what you do

The child is at the centre

No-one is left behind

School Promise

Running alongside our school behaviours is our School Promise which reminds us of how special each and every person is and about being resilient:

We know everyone in our school is special.

We are caring towards others.

We don't give up when things are tricky!

We always try our best!

Resilience Rucksack

Learning attitude and growth mindset is taught through our Resilience Rucksack and children learn to develop these skills from the nursery onwards:

Curriculum Drivers

Our curriculum is unique because of our behaviours, school promise and attitude to learning. Our curriculum drivers help us to deliver an inspiring and challenging curriculum.
