

Children who attend our nursery have the benefit of a seamless transition and tend to settle quickly and accelerate rapidly when they move into Reception. However, it is important to note that attendance at our Nursery in no way ensures a place in Reception. School admissions are handled separately by the Local Authority.

Flexible Childcare Options

In response to parental requests we are now offering full daycare from 8:20 am until 5:45pm during term time.

Nursery places are offered in line with our admissions policy and children can take up places the term after they have turned 3yrs.

We can take a maximum of 26 children per session. The core teaching sessions are in the mornings and afternoons. These sessions are led by our experienced Early Years team.

Wrap around care sessions including lunchtime and after school sessions are led and supervised by level 3 teaching assistants and support staff.

Our staff undertake regular training and hold paediatric First Aid qualifications.

We happily offer places to children who share their Nursery hours with another setting.

We kindly request a 4 week notice period should you no longer need your child's place.

Session Choices

8:20am — 8:45am Drop Zone (A short session for parents who need a bit of extra time to get to work)

8:45am — 11:45am Morning Session

(Teaching & learning session for pupils) 3hrs

11:45am - 12:45pm (Lunch Provision) 1hr

12:45pm — 3:15pm Afternoon Session

(Teaching & learning session for pupils) 2hrs 30mins

3:15pm — 5:45pm After School Club

(ASC sessions run over 3 time periods e.g. 3:15 - 4:15 or 4:15-5:15 and 5:15-5:45pm)

The amount of free childcare parents are entitled to will vary between 15 to 30hrs. These hours can be used on any of the above sessions. Parents who are not entitled to the free 30hrs or parents who require additional childcare can pay for extra sessions. These will be charged at £4.00 per hour, with school lunches costing £2.50 per day.

How do I book childcare sessions for my child?

Parents should state which sessions they require on a permanent basis at the application stage or start of a new academic year. Booking forms are available from the school office.

Changes to regular bookings or additional adhoc sessions may be facilitated if we have vacancies (an additional cost of £4 per hour applies).

However we do have a size limit and cannot guarantee any short notice bookings. Advanced reservations placed at the time of admission is the only way to secure a definite place for your child.

Free Childcare

All children aged 3 and above are entitled to 15hrs free childcare per week. The government are now offering 30hrs free childcare. Parents **must** check their own eligibility on the HMRC Checker available at:

www.childcarechoices.gov.uk

HMRC Helpline: 03001234097

Parents are likely to be eligible if :

*Parents are working and both earn at least equivalent to 16hrs at the national living wage.

*If one or both parents receive benefits in connection with sickness, incapacity, caring, limited capacity or parenting as though they are in paid work.

*Where a parent is newly self employed.

If either or both parents' income exceeds £100,000 you will not be eligible.

Parents need to apply on the Child Care Choices website to claim their additional free hours. You will then be issued with an eligibility code which you must bring to School with your National Insurance Number and child's birth certificate.

YOU MUST APPLY IN THE TERM BEFORE YOU INTEND TO USE YOUR 30hrs

We can offer parents and carers advice and support in completing applications for 30 hours. Please contact the school office if you require help.

We love being creative!
