

Year 1

Weekly

Keep practising your writing each week by doing activities like the ones below...

Use your home learning book to make a weekly weather diary. Draw and write about what the weather has been like or any new plants growing. Have you observed any other signs of Spring?

Write an entry (such as a story or letter) in your book to tell Comet and Dobby about the fun things you have been up to at home. Draw a picture to go with it.

If you have baked or made something crafty, write a set of simple instructions to explain to us how to make it too! You could also write instructions for a game you like to play.

Don't forget: think it, say it, write it, check it! Have you got **capital letters, finger spaces and full stops?**

You could also play 'I Spy' by choosing an illustration from a book, poster, on the computer etc. Write a list of all the things you see. Remember; new item, new line.

Play 'Picnic on Pluto', 'Buried Treasure' or 'Dragon's Den' on

<https://www.phonicsplay.co.uk/> write a list of the real words and the nonsense words you read. Can you write sentences using some of the real words?

Keep practising adding and taking away sums. (use numbers within 20 to begin with)

You can use the strategies on the website under 'Parents' and 'Maths Support for Parents'

Practise your number bonds to 10.

$1+9=10$, $9+1=10$, $2+8=10$, $8+2=10$, $7+3=10$, $3+7=10$, $4+6=10$, $6+4=10$, $5+5=10$, $10+0=10$, $0+10=10$

Practise your double numbers to 10.

Keep practising counting forwards and backwards to 100 in twos, fives and tens.

Regularly play on the **number bonds** and **halves** sections of 'Hit the Button' at <https://www.topmarks.co.uk/maths-games/hit-the-button>

Keep reading- share books at bedtime with your grown-ups.

Look on the Oxford Owl website and see if you can see some of the books you have been sharing in school. Look out for the Biff and Chip books in particular. You need to make a log in but then you will be able to read the books and also have the books read to you.
